## CERVERA IN CUBA

Brigadiers Assigned by President—  
More Torpedo Boats—17,000  
Troops for Manila.

### MERRITT RECEIVES ORDERS

Five Thousand Regulars with Army Corps  
for the Philippine Islands.

Assignment of Brigadiers.  
Washington, May 20.—By direction of the president the following assignments of brigadier generals were made today: Brig. Gen. Francis G. Kennerly, to the 2nd corps, Fall Church, Va.; Brig. Gen. Alex. G. Pennington, to the command of Camp Hempstead, N. Y.; Brig. Gen. Abram Arnold, to the cavalry division, Tampa, Fla.; Brig. Gen. John Spolander, 1st corps, Chickamauga Park; Brig. Gen. Simon Snyder, 1st corps, Chickamauga Park; Brig. Gen. Jacob F. Kent, 5th corps, Tampa, Fla.; Brig. Gen. Guy V. Henry, cavalry division, Tampa, Fla.; Brig. Gen. Thomas Anderson, Department of the Pacific; Brig. Gen. Hamilton M. Hawkins, 7th corps, Tampa, Fla.; Brig. Gen. Samuel Sumner, cavalry division, Tampa, Fla.; Brig. Gen. John C. Bates, 4th corps, Mobile, Ala.; Brig. Gen. Andrew S. Burt, 7th corps, Tampa, Fla.; Brig. Gen. Edward E. Wilson, 1st corps, and to command the light artillery brigade, Chickamauga Park; Brig. Gen. Charles E. Compton, 3rd corps, Chickamauga Park; Brig. Gen. Louis H. Carpenter, 3rd corps, Chickamauga Park; Brig. Gen. Henry W. Lawton, 5th corps, Tampa, Fla.; Brig. Gen. Geo. W. Davis, 4th corps, Mobile, Ala.; Brig. Gen. Adna R. Chaffee, 5th corps, Tampa, Fla.; Brig. Gen. William Lindwall, at headquarters of the army.

More Torpedo Boats.  
The Navy department has decided to have the construction commenced immediately on 16 torpedo boat destroyers of the latest pattern, and also 12 new torpedo boats.

General Merritt Has His Instructions.  
Major General Wesley Merritt, who is to command the expedition to the Philippines, reported to the War department this morning. Later in the day he had a talk with the president and received his instructions. The general will leave here probably tomorrow for San Francisco.

Between 15,000 and 17,000 troops, he thinks, will be allotted to him. Of this number he confidently hopes there may be approximately 5,000 soldiers of the regular army, who, because of thorough discipline and familiarity with actual military life, are regarded as absolutely essential to the successful completion of the work in hand.

Navy Department Says So, Too.  
The navy department posted the following bulletin at the close of office hours today: "The navy department has information, which is believed to be authentic, that the Spanish squadron under Admiral Cervera is at Santiago de Cuba."

Speculations As to Spanish Fleet.  
If the Spanish fleet is at Santiago de Cuba, the fact is probably not known officially at the Navy department. The fact that the first report comes from Madrid was regarded as in itself suspicious circumstances, for it is hardly to be supposed that the Spaniards are such simple strategists as to advise us of their plans in that manner.

Officials of the Cuban delegation here consider the report accurate, as it bears out what three officials pointed out, when the Spanish fleet first reached Martinique, as to the probable course the Spanish admiral would take. Secretary Quesada said today that the Spanish admiral would find himself seriously handicapped at Santiago, as there is no railroad communication between Santiago and Havana. About all the Spanish fleet can accomplish there is to secure a base of operations in a fairly well fortified harbor and lay in coal from colliers which are understood to have preceded the fleet there.

Received His Just Reward.  
Joliette, Quebec, May 20.—Thomas Nutty, who killed his three sisters and a brother, at Rawdon, to make room in his father's house for the girl he intended to marry, was hanged here today. Fifteen hundred jeering men witnessed the hanging.

### CHARLESTON SAILS TOMORROW.

Two Regiments of Regulars from New Orleans to Manila—Attempt to Use Poison at Chickamauga.

Charleston Sails Tomorrow.  
Vallejo, Cal., May 20.—The repairing of the defects of the condensing tubes of the cruiser Charleston was completed this morning, but the vessel will not leave for Manila until tomorrow.

A Run on Key West.  
New York, May 20.—A Key West special to the Evening Post says: Events of surpassing interest are expected to develop near here within 24 hours. Details of important movements expected are not permitted to pass the censor.

Regulars for Manila.  
Chicago, May 20.—A special to the Journal from Washington says: Adjutant General Corbin sent telegraphic orders to the 18th and 33rd infantry, now in camp at New Orleans, to proceed at once to San Francisco. They will embark for the Philippines as soon as supplies and transportation are furnished.

Spanish Agents Arrested.  
Columbus, O., May 20.—A special to the Dispatch from Chickamauga Park says three men have been arrested there charged with doping wells and water troughs. Two mules are reported dead. Two pounds of arsenic were found on the men.

### MAGNIFICENT MONUMENT.

To Signers of Declaration of Independence at Mecklenburg, Unveiled Today at Charlotte, N. C.

Charlotte, N. C., May 20.—A magnificent monument to the signers of the Mecklenburg declaration of independence was unveiled here today in the presence of a tremendous crowd. Among the prominent people present were the former vice president, Adlai E. Stevenson; Governor Atkinson, Georgia; Governor Elbert, South Carolina; and Governor Russell, North Carolina. Mr. Stevenson was the orator of the day.

Financial Troubles End in Suicide.  
Des Moines, Ia., May 20.—C. L. Baker, president of the Baker Carriage works, shot himself twice in the mouth today, dying almost instantly. His action was caused by financial troubles.

Miss Cisneros to Wed.  
Washington, May 20.—Evangelina Cassio Cisneros, is soon to wed Carlos Carbonel, a former Cuban banker nominated by President McKinley to be lieutenant and aide on the staff of Major General Fitzhugh Lee. When Carl Decker went to Havana with the express purpose of liberating Miss Cisneros, he found a trusted lieutenant in Carbonel, who was at the time unacquainted with the fair young Cuban. On the night of the rescue Carbonel was at Decker's side and to him was entrusted the duty of accompanying the young girl to New York.

U. S. S. Oregon Passed Barbadoes.  
Chicago, May 20.—A dispatch to the Times-Herald from Washington says: The Oregon did not stop at Barbadoes, as was reported, but was sighted by an American consular passing that point at full speed.

Capote En Route to This Country.  
Kingston, Jamaica, May 20.—Senor Domingo Capote, vice president of the Cuban republic, has landed here from Cuba in an open boat. He is on his way to the United States to present certain views to the Cuban chiefs.

No News of Spanish Fleet at Kingston.  
Kingston, Jamaica, May 20.—No confirmation has yet been received here of the reported arrival of the Spanish fleet at Santiago de Cuba.

Insurgent Successes in Cuba.  
New York, May 20.—A special from Port au Prince to the Evening World says: Information has reached that place, that General Gomez, at the head of the insurgent force, is closing in on Havana. His advance guard, led by General Quintin Baldera, the dispatch says, put to flight 800 Spanish troops. Santiago de Cuba, according to the same report, is menaced by 5,000 insurgents, under General Garcia. The dispatch also reports that Spanish warships have been sighted off Yucatan conveying three transports carrying troops and provisions for Havana.

Disposition of Gladstone's Remains.  
London, May 20.—The house of commons today adopted the address to the queen in regard to the interment of the remains of Gladstone in Westminster Abbey.

German Steamer Stays Away From Havana.

New York, May 20.—Emil L. Boas, New York agent of the Hamburg-American line, said this morning that the German steamer Polaria was not going to Havana as originally intended. He added that the report that the government had revoked the permission granted to the Polaria to pass the blockade was incorrect, and that the abandonment was solely to avoid embarrassing the government.

## GHOST STORIES.

Spain Rejoices at Arrival of Cape Verde Fleet at Santiago de Cuba.

### LITTLE MAKES THEM HAPPY

Eight Thousand Men Embark at Barcelona for Manila—Fate Tales Concerning Cadiz Squadron to Go to New Foundland.

Spanish Troops for the Philippines.  
Barcelona, May 20.—Large forces of troops are embarking here for the Philippine islands. The number of troops is between seven and eight thousand.

Cervera's Fleet at Santiago de Cuba.  
Madrid, May 20.—At 10 o'clock last evening the minister of marine received the following dispatch from Admiral Cervera, in command of the Cape Verde squadron:

"Santiago de Cuba, May 19.—This morning I have, without incident, entered this port accompanied by my squadron. (Signed) Cervera."

The minister has cable congratulations. More Spanish Ghost Stories.  
Madrid, May 20.—Admiral Camara, commanding the Cadiz squadron, is here receiving instructions relative to the destination of his ships, which it is expected, "depends upon the requirements of war." The new minister of marine has injected the greatest activity into his department.

Mighty Easily Pleased.  
Madrid, May 20.—In an interview today the minister of marine is quoted as saying: "I am greatly rejoiced at the safe arrival of the Spanish fleet at Santiago de Cuba. It is an immense triumph for the Spanish navy. The sailors who executed the movement and those who planned it are worthy of all praise."

Spanish Ghost Stories.  
Madrid, May 20.—A dispatch from Havana says two American ships bombarded Guantanamo and that the Spanish ginsburg, San Luaro and a regiment of troops repulsed an attempt to land there. The Spaniards did not suffer any loss.

Cervera's Song of Triumph.  
Madrid, May 20.—Admiral Cervera, says the cable dispatch from Santiago de Cuba, did not sight the American ships during his voyage. He announces his crews in perfect health and enthusiastic. Continuing, the dispatch says: "The blockading vessels quickly left on the approach of the squadron, whose arrival created the greatest excitement and enthusiasm at Santiago. Immediately crews thronged the quays and cheered our sailors. Havana's relief at the safe arrival of the fleet is very great, as it was feared the American ships which left the blockade there had gone to intercept the Spanish fleet. It is now believed the Americans fled in order to avoid reverse."

More and More Ghost Stories.  
London, May 20.—Advices have come from Madrid that the supplementary fleet outfitting at Cadiz has been ordered to proceed to Newfoundland and coal there. I am disposed to believe that there is no truth in the story because there is reason to suspect that its publication has been caused by the Spanish government. If the ships leave Cadiz at all for the west they will try to unite with Cervera's fleet. The Pelayo is not fast enough to engage in the business of bombarding coast towns and running away.

### BLOCKADE PRESSING ON HAVANA.

Business at Standstill—People Panic Stricken and Leaving—Spaniards Prepared to Defend City with Desperation.  
Copyrighted by Associated Press—Havana, May 9, via Vera Cruz, May 13.—The blockade is beginning to be felt here. Business is almost at a standstill and there is hardly any movement in the streets. Over 5,000 people have been booked at the office of the French steamer Lafayette which leaves here today for Vera Cruz with this letter which will be posted at that port. In fact, a panic now prevails, but nevertheless, the Spaniards are preparing to fight as desperately as possible.

There has been no disorder as far as known. It is reported that Santa Cruz del Sur, on the south coast of Puerto Principe has fallen into the hands of insurgents. If this is the case the insurgents have a port at which their friends can land arms, ammunition and supplies without interference.

### CONGRESSIONAL.

Presidential Nominations.

Washington, May 20.—The president has sent these nominations to the senate: Captain Patrick Henry Ray, 8th U. S. infantry, to be colonel of the 3d regiment of U. S. volunteers; Captain J. S. Pettit, 1st U. S. infantry, colonel 4th regiment U. S. volunteer infantry; 1st Lieut. Herbert H. Sargent, 2d U. S. cavalry, colonel 5th regiment U. S. volunteer infantry; Laurelio D. Tyson, of Tennessee, colonel 6th regiment U. S. volunteer infantry; 1st Lieut. Charles S. Rich, corps of engineers, U. S. A., colonel 1st regiment volunteer infantry; D. N. Hood, of Louisiana, colonel 3d regiment U. S. volunteer infantry; Colonel Theodore Schwan, assistant adjutant general, to be adjutant general with rank of colonel; Major W. H. Carter, assistant adjutant general, to be adjutant general with rank of colonel.

Senate.  
Senator Hale (Me.) chairman of the committee on naval affairs, favorably reported the house joint resolution providing for the organization and enrollment of an auxiliary naval force, which shall form the inner line of defenses. The amendment by the senate committee provides that the force shall not exceed 3,000 men. The resolution passed. Senator Daniels (Va.) made a set speech in advocacy of the war revenue bill, occupying the floor over two hours. The senate committee on finance finds it necessary to make additional amendments to the war revenue bill before proceeding farther with the measure and an adjournment of the senate will be taken at the close of today's session until Monday, in order to allow the committee to devote tomorrow to this work.

### Cyclone Not as Bad as First Reported.

Rhineland, Wis., May 20.—The report from Headford Junction which stated that there were 18 dead bodies in the depot there, proves to be greatly exaggerated. The latest news from there gives only two killed.

### THE SECRET OF A GOOD DISPOSITION.

Mrs. Pinkham Says a Careful Regard for Bodily Health Makes Women Sweet and Attractive to All.

The world is filled with sweet women who are held back from usefulness by some trouble of the female organs. Fretfulness and nervousness rapidly destroy sweet dispositions.

Sickly all-worn-out women cannot live happy lives. Nearly every woman may be well and happy if she will follow Mrs. Pinkham's advice. See what Mrs. Craig says:

"DEAR MRS. PINKHAM:—I have taken Lydia E. Pinkham's Vegetable Compound and think it is the best medicine for women in the world. I was so weak and nervous that I thought I could not live from one day to the next. I had prolapsus uteri and leucorrhoea, and thought that I would die. I had dragging pains in my back, burning sensation down to my feet, and so many miserable feelings. People said that I looked like a dead woman. Doctors tried to cure me, but failed. I had given up when I heard of the Pinkham medicine. I got a bottle. I did not have much faith in it, but thought I would try it, and it made a new woman of me. I wish I could get every lady in the land to try it, for it did for me what doctors could not do."

—Mrs. SALLIE CRAIG, Baker's Landing, Pa.  
That Lydia E. Pinkham's Vegetable Compound is a safeguard of woman's health is clearly proven by the thousands of letters constantly being received. Here is one from Mrs. W. P. VALENTINE, 566 Ferry Ave., Camden, N. J.:

"DEAR MRS. PINKHAM:—Before writing to you I felt very bad, had terrible sick headaches, no appetite, gnawing pain in stomach, pain in my back and right side; was tired and nervous, and so weak I could scarcely stand. I was not able to do anything, had sharp pains all through my body. Before I had taken half a bottle of Lydia E. Pinkham's Vegetable Compound, I found myself improving. I continued its use until I had taken four bottles, and felt so well that I did not need to take any more. I am like a new person."
